

GENERAL

COLONIAL 78

To Steve,
Good luck and best
wishes always. It's been
great, take it easy. This
is a formal declaration of
war from England to France.
See you in Paris.

Steve,
I hope you have a
great summer and
succeed in whatever
you do!

alex

Steve
Good luck in
college and have
lots of fun.
Take care.

Alan
P.S. (DON'T BECOME A

Steve
Good luck in college
and have fun in
the future

J. Alan.

Steve,
It was a pleasure
to have you in class.

D. Melrose

Imagine how much
knowledge we gained through
discussing your ridiculous books
Heller and all. All always
remember you. The fun we
had in cross-country. Have
a great summer, and best
of luck always your Pal
Paul.

Dear Steve,
Where you are
of the A's.
Have a good
summer,
Larry

Steve...
I hope your college
life becomes all
you want it to be.
I hope your running
keeps you on the
edge. I hope that you
can keep it up
longer? In any
case... wife + that
are off your
eyes. It makes
you look
conspicuous!
p.s. you
Alan

Steve,
One of the reasons
I enjoy coming to cinema
so much is because of the
nice people that are in the class
and you're one of them. Have a lot
of fun in college, besides success
Love, Belena

Steve,
I hope you don't get influenced
by that book (Men Keep) you've
been bringing to class everyday.
It's a great time in the summer,
and gain success in college.
Love
Courtney

Steve,
I was just knowing
you, for these past two
years, on the cross country team. It
was fun going to the post office, to
and on college, and good luck, all
the money he will
through out his life.
Love,
friend.

Dear Steve

SENIOR INDEX

We are ever changing, learning and growing
 Gliding across an ancient universe
 Filled with the infinite questions of existence
 We search
 Stepping into tomorrow
 Hoping to leave a tiny imprint of what we'll be in the future

We are born today
 Yet we die tomorrow
 Only fleetingly able to enrich the world with our love and
~~our courage~~
 Wise men make mistakes
 Fools only repeat them
 It has been said.

Stere-
 How can I tell
 you how strange it will
 be. I can't even imagine how
 your future will form for you.
 But, it will make form. Have lots
 of fun and marry a Jewish
 girl. Good luck in the world of
 the world. You want to work on
 a universal level can see. However, it is
 important that you don't forget your roots
 they single and but they will always
 serve as an influence on you. Bye
 on a happy present. Bye
 from Salva

Let it be known that we are here
 Shaping and polishing our destinies
 As well as those of others
 We forever reach into the empty
 Shadows that give us the room to grow and
 To expand with each new dawn

The 1977 edition of Fairfax Bee Football experienced a season of “Ups and Downs”. The team was plagued by lack of depth at the “Skill” positions. Consistent performances throughout the season on Offense was al-

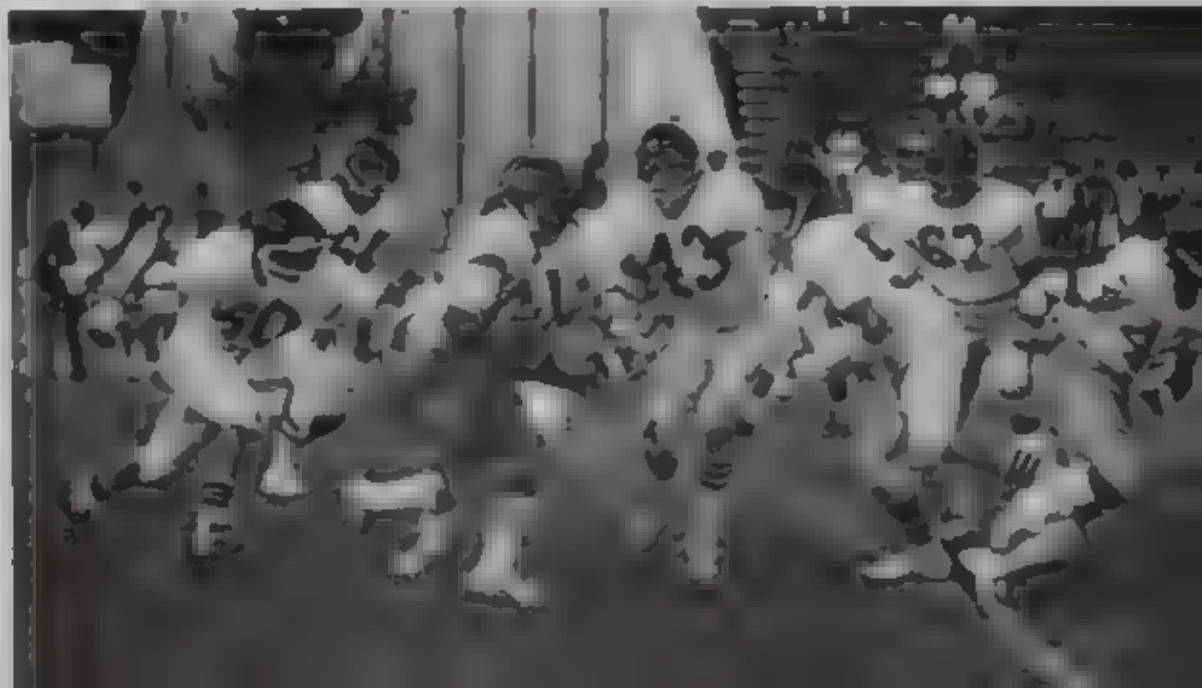

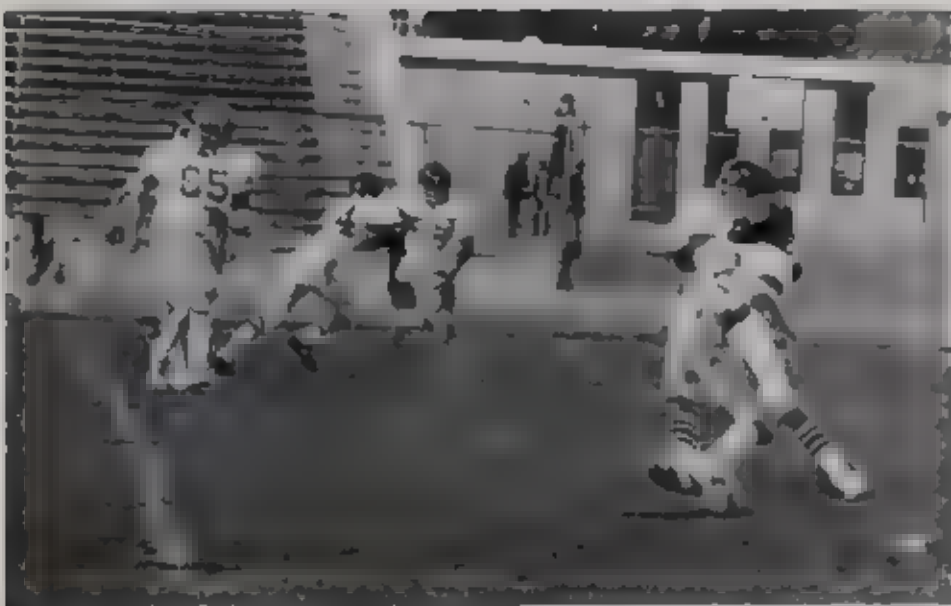

ways in evidence by 1st Team All League Guard, Nati Alvarado and Center, Jeff Metz. While outstanding plays always were surrounded by All League Team selections: Viren Moret, Duane Isles and Reggie Hicks.

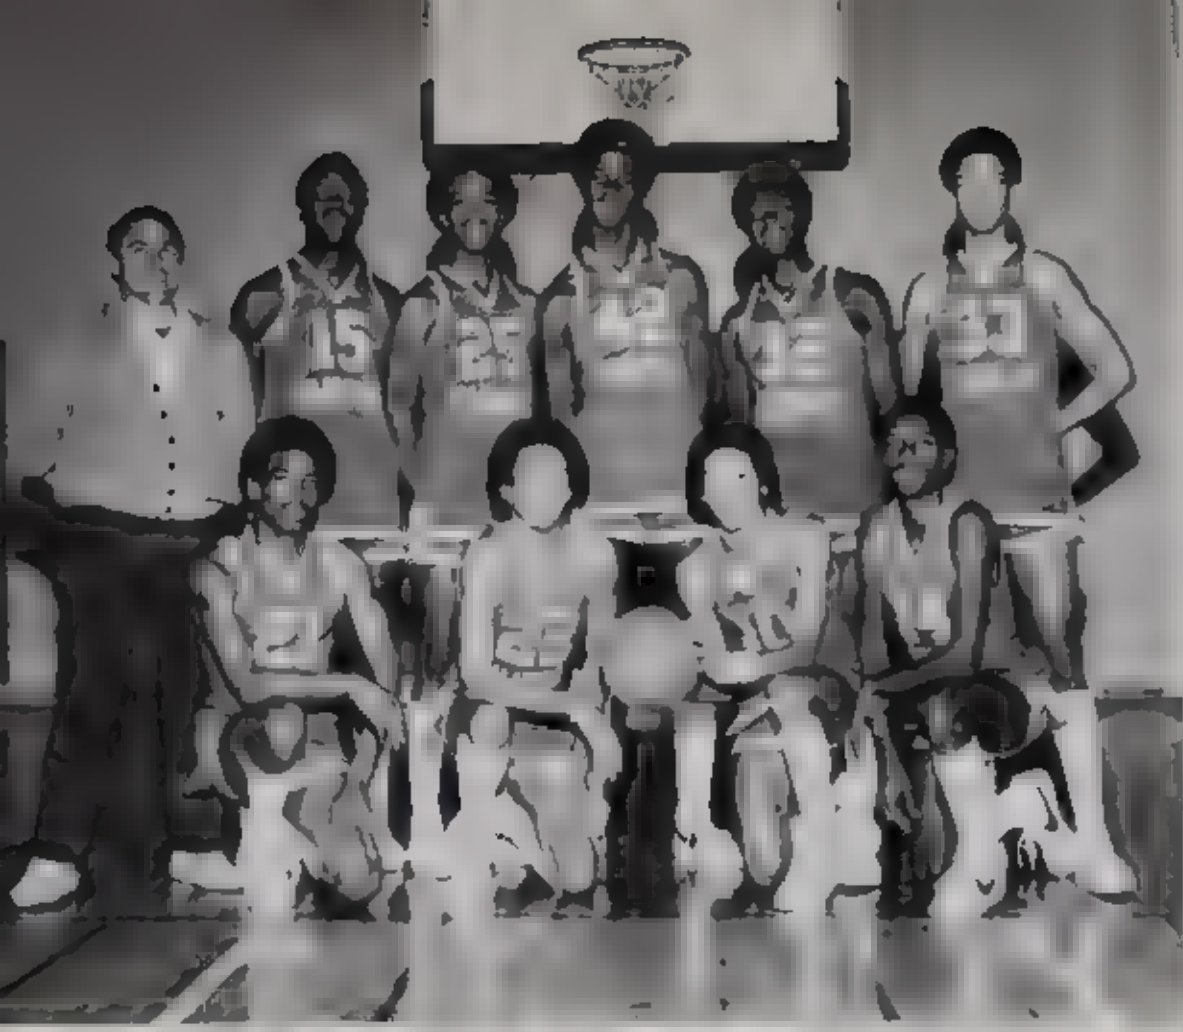

Honored at the Annual Football Banquet were:
 Leslie Ostane - Most Outstanding Offensive Player,
 Viren Moret - Most Outstanding Defensive Player,
 Carlos Seville - Most Improved Player,
 John Fisher - Most Inspirational Athlete.

The Lions finished 4th in the East Valley League with a 2-4-1 record.

SOCCKER

One can describe the Fairfax Soccer Team of 1977-78 in a single word: awesome. In one of the toughest sport in the world, Fairfax has gained recognition as a soccer power by winning the City Championship. The team, composed mostly of members of last year's team, had an overall record of 11 wins, 1 loss, and 1 tie going into the playoffs. As it turned out, they had to face their archrivals, The Venice Gondeliers, in the City finals. On that eventful day, the Lions played with much determination and enthusiasm, and shut out the Gondos, 3-0, with goals by Andy Prince and Benito Delgado.

The season's top scorers in the team included Andy Prince, Jose Vasquez, Igor Beyder, and Fernando Torres.

Next year looks bright for the team. Even though coach White would not be around to coach, everybody is confident that the team will show strongly next season. With the exception of four players, everybody would be returning and trying to capture the championships again.

The tradition continues on at Fairfax as the lion gymnasts start a new season. If the season holds true as the others, they will retain their East Valley League Championship crown for the ninth time in a row. This year, the lion gymnasts are just as strong as before if not stronger. Also this year, they're ranked #1 in city. It is almost certain that they will be in city finals for the fourth year in a row. For this year, the top gymnast for all-round are as follows: Vartan Ichlokmanian, Edwin Alvarado and Louis Thomas. Excellent support comes by way of some quality juniors: Dameon Pierce, Joe Jackson and Victor Castillo. An outstanding group of sophomores in history of the school has arrived. The Lion stars of the future are: Larry Charles, John Au-Young, Titi Mataaui, Rajeeva Rajapakse, Sung Park, and Wayne Stein.

TALENT SHOW 1978

May god bless and keep us always
 may our wishes all come true
 may we always do for others
 and let others do for us
 may we build a ladder to the stars
 and climb out on our own
 and may we stay forever young
 may we grow up to be righteous
 may we grow up to be true
 may we always know the truth
 and see the light surrounding us
 may we always be courageous
 stand upright and be strong
 and may we stay forever young
 may our hands always be busy
 may our feet always be swift
 may we have a strong foundation
 may our hearts always be joyful
 and our song always be sung
 and may we stay forever young

SCAPINO THE KING

There was a pretty queen
 who met a handsome king
 they met at the castle throne
 where they began their fling
 as the days continued on
 the affair began to die
 leaving the king on the throne
 the queen began to cry
 the queen loved the king
 but the king played games
 the queen had many questions
 but the answers never came
 soon the queen kicked back
 and observed the king grow big and strong
 the king had changed considerably
 into one very big king kong
 in June, both will leave the castle
 to be alone and free
 maybe the king will realize
 that this way,
 it was never meant to be.

By The Queen

Is it a lie, is it a shame
 is it a crime, is it a game
 for me to tell my feelings to you
 should I be open, should I be shut
 should I think about it or should I not
 about my feelings for you, am I right
 am I wrong, is there love, can love be
 strong, I want to express my feelings
 to you, superficial people are everywhere
 game playing by everyone, there is a
 relevant strain, my eyes just hurt my
 brain, most of all people get destroyed
 by parental binds and insecure joys
 the drub scene and the pressures
 obsolete cop outs are not the answer
 today you're the king, tomorrow you're
 the clown, does life without love mean
 anything, take a hard look around
 is the color of ones skin the color of
 ones soul, I'm deep in thought about
 what I say, when will our attitude change
 the day, life's joyous ups, lifes depres
 sing downs, go climb your dream, take a
 look around, try to be the best person,
 then you'll be a man, finding the people
 you like in life is like trying to cut
 an ego with a blade of a knife, they come
 few and far, but when they come
 appreciate them fully, for they soon may
 be gone, it's the attitude I tell you,
 the attitude my friends, without that
 positive attitude, it's the beginning
 of the end

By Larry Fiske

They came in pairs and walked the
 winding road until the path they
 traveled became too narrow.
 No room to grow, no where to go.
 I watched them fade as I moved on,
 down the road of life for I have
 walked alone.

CLASS MOTTO: LOOK TO THE PAST

GRADUATION: JUNE 21, 1978

Pure excitement describes my term as Senior Class President. Everyday provided a new opportunity to work with my classmates and to meet new people. My semester was filled with duties such as planning dances, choosing a prom site, and organizing homecoming. All in all, it was an enjoyable experience. Good luck everyone, and see you at the ten year reunion.

Genesis, our years at Fairfax have been a solid foundation for our ascent into society. Fairfax, a microcosm of our nation, is an environment reflective of today's society. It has provided the forum for people of various backgrounds to interact. Our presence in this environment has helped our individuality to surface and our goals and objectives to come into focus. Our actions now become even more significant in their future manifestations. So, when thinking of all the things we could and should have done in high school, we can learn from these mistakes.

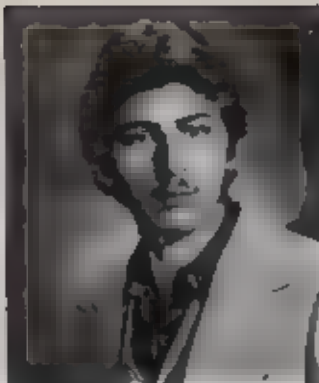

In retrospect, do not just think of our class (Genesis) as the "class of '78", but rather as the class to remember "always and forever."

SPRING COUNCIL

Having had the opportunity to serve as Student Body President, I was able to share all of my wonderful experiences with my fellow students. The leadership experiences I have encountered offered a chance for me to convey my feelings on various topics that concerned our school, with other students and other schools. Fairfax High School has been a fascinating place to mature and grow with different students from all kinds of backgrounds.

Sincerely,

Kyla Lynn Day

Fall Student Body President

It has been a truly satisfying experience to see the efforts of the students, administration, and faculty working together as a team. Cooperation has been the key ingredient in a successful multi-cultural experience. During my term, I was given the opportunity to immerse myself in the responsibilities of being president. Along with these responsibilities came the enjoyment of communicating with my peers and establishing a good report among the student body.

Dear Bob: I understand since what can I say? I really wish you were indulging with me this summer and I know you'll only be one semester behind and the time will go quickly. 3 years matters are not always "never" for the time I had with you cannot be replaced by anyone for being around throughout the hard time and letting me see the brighter side is common sense and I'll be here you read this let us in it that of who's common sense for our one another, thank you for the fun and strength were always been "happy" one really. Remember friends, food is important to a person's health. Eat, you live in the future and the present. Remember, you are the "strongest" and the "strongest" person.

I agree to participate, or were not willing to  
 participate, we had to be very careful not to  
 get involved in any way. I was very careful  
 not to get involved in any way. I was very  
 careful not to get involved in any way. I was  
 very careful not to get involved in any way.

Dear Maria,

After 24 years of school friends hanging  
around growing we have shared so many memories,  
thoughts together for summer nights, long talks,  
new experiences and a few beauty that our  
friendship has it all means a lot to me although  
may not show it I'll always be here as  
our friend and as close as your sister.  
I love you always,  
congratulations -  
you made it!!!  
Linda.

But of wishes to you always!!! Its not many more to write.

Dear Shelley:  
I'd like to thank you for being such a  
friend to me. I'd like to thank you  
for listening to me and telling me either  
thoughts or things that I should know  
stay this way  
With all my love, Ray

This is to people like Dale, Jennifer, Peter,  
and Don (and others of course) or being my  
friends and helping me when I needed it.  
I'll gladly return the favor  
Love, Ray

Joy,  
 when i was little  
 i had a big wish  
 for a friend who would  
 share my secrets...  
 a friend who would  
 understand my  
 feelings and fears  
 and smiles...  
 a friend who would  
 always be there...  
 no matter what...  
 I don't have that wish  
 anymore... you made my  
 wish come true  
 love, love

He offered thanks to the numerous folks in  
 the "Red Room" and said "I made the last  
 trip with Mr. and Mrs. and riding our hearts out.  
 The trip I will give him the 1940 the  
 in a hurry took some red hair suits  
 Mike Hogan and badge, Mr. Conroy  
 and a police man, and everyone with  
 from arriving with Wayne & Le in the  
 made the evening slow parties, lunching with  
 and riding on summer afternoons, and  
 riding with Gloria. The last ride on forever.  
 I hope some how with you our wheels stick  
 together you've got a dramatic report, then  
 for being a real friend and for being the  
 last one to laugh with me. But this all by

 Steve

To Steve;

It's been a long time  
 since I've seen you  
 and I hope you are  
 well. I hope you are  
 happy and healthy.

It's been quite a lot of water  
 under the pontoon bridge, hasn't it?  
 Keep on trying - trucking - whatever.  
 Remember the Alamo, the Maine, and  
 all that other stuff. Been a pleasure  
 knowing an Imperialist such as you.  
 G'luck at Antioch. Don't let the  
 Pacifists get to you.

With highest respect and much bowing,
